

Long Travel Keyboard

-Compact Notebook-Style Keyboard

- Layout: Compact with integrated numpad
- Key Type: Scissor-switch keys for good tactile feedback
- Key Legends:
 - Option 1: Laser-engraved legends in beige or Digitally printed.
 - Option 2: High-quality silk screen legends with UV coating in black
- Durability: Internal metal plate for enhanced ESD protection
- Interface: USB or PS/2 connectivity
- TrackPad: Built-in for ease of navigation
- Multi-Country Layouts: Support for various layouts for international use
- Dimensions: Compatible with Cherry G84-4400 keyboard

-Ideal Uses

- Industrial Applications: Rugged design suitable for factory or workshop environments.
- POS Systems: Streamlined for efficient checkout processes in retail settings.

This type of keyboard would be ideal for environments requiring durability, ease of use, and adaptability to different language layouts.
